

## Patient Disposable Pack – Enquiry Form

**Disposable items are a necessary component for many hospital areas helping to cut the risk of infection. To enable us to tailor a Patient Disposable Pack to your exact requirements please choose from one each of our disposable NIBP Cuffs, ECG Leadwires & SpO2 sensors (adhesive or multi-use, soft finger, non-adhesive). We will endeavour to respond with our quotation & offer a free of charge sample pack within 24 hours.**
